**IX. Old Business**

**A. Report and Recommendation from Audit Committee re RFP's for Auditing Services**

The recommendation from the Audit Committee is: 1) to retain the services of David L. Moonie Co. to audit fiscal year (FY) 2008/2009 (one year), and 2) send another round of request-for-proposals to accounting firms in November 2009 for services beginning with FY 2009/2010.

The Executive Committee unanimously approved this recommendation at their July 30, 2009 meeting.

A motion was made to approve the Audit Committee recommendation as presented. **M/S/P: Rupp/Wilson**

**X. New Business**

**A. Adoption of Resolution Authorizing Selection of Candidates for the Board of Directors of the Special Districts Risk Management Authority (SDRMA):** As a member of SDRMA, RREDC is asked to select up to four (4) candidates for the SDRMA election of officers. The ballots are due on September 10, 2009. To allow time to research the qualifications of the candidates it was asked that this item on the August 24 agenda. No action taken.

**B. Approval of Extended Contract with Mead & Hunt Inc.:** Mead & Hunt, aviation consultants, have worked with RREDC since the beginning of the Delta Airlines project. The original contract between RREDC and Mead & Hunt was completed in July 2009.

It is expected that their services will continue to be needed as the first project ends and the second phase (retaining Delta service in 2010) begins.

Mead & Hunt has proposed a contract for additional services not to exceed \$6000. Services would be performed on an as needed basis.

As this project is a joint effort of RREDC and the County of Humboldt Aviation Division it was suggested that the cost of any work done by Mead & Hunt be shared equally by RREDC and the County.

A motion was made to approve the contract with Mead & Hunt for services not to exceed \$6000, with the understanding that such work will not be undertaken unless the County of Humboldt agrees to pay for half the cost of the services. Any exception to this condition would need to be approved by the RREDC Board of Directors. **M/S/P: Rupp/Edwards**

**C. Discussion of Board Goals and Priorities:** The focus of the August board meeting will be to review the history of RREDC, its authorities (JPA) and operating requirements under EDA, in order to come to a common understanding of the organization and its purpose. Items cited as immediate needs are an employee manual update and review of the lease and subleases for 520 and 530 E Street. There is interest in having a special one-day board session for an in-depth discussion of the goals and future of RREDC.

**XI. Adjourn**

The meeting was adjourned at 6:30 p.m. **M/S/P: Rupp/Edwards**

Respectfully submitted,
