

A graphic of a white mask with blue text and a forest background. The mask is positioned at the top of the image, with the words "WEAR A MASK!" written in large, bold, blue letters across its face. Below the mask, the phrase "Don't Make Us Ask" is written in a similar blue font, curving along the bottom edge of the mask. The background of the entire image is a photograph of a winding asphalt road through a dense forest. The trees are tall and thin, with some showing early autumn colors of yellow and orange. The road has a double yellow line and a white edge line, curving to the right in the distance.
